

BAR MILL - AUBURN

Nucor Steel Auburn, Inc.

April 29, 2009

Dear Valued Customers:

Nucor Auburn's fuel surcharge for truck shipments will remain at 18% for the month of May 2009.

Nucor Auburn uses the Department of National Energy's Fuel Index to calculate the average price of fuel. We use the New England, Central Atlantic and Midwest regions to calculate the average. Based on the fuel index of April 27, 2009 the average diesel cost was \$2.303 per gallon.

Average Diesel Cost Per Gallon	Surcharge Percent
\$1.96 - \$2.099	16%
\$2.10 - \$2.229	17%
\$2.23 - \$2.359	18%
\$2.36 - \$2.489	19%
\$2.49 - \$2.619	20%
\$2.62 - \$2.749	21%
\$2.75 - \$2.879	22%
\$2.88 - \$3.009	23%
\$3.01 - \$3.139	24%
\$3.14 - \$3.269	25%
\$3.27 - \$3.399	26%
\$3.40 - \$3.529	27%
\$3.53 - \$3.659	28%
\$3.66 - \$3.789	29%
\$3.79 - \$3.912	30%

Nucor Auburn will continue to review fuel prices to determine future fuel surcharges.

As always, we thank you for your continued support. Your business is greatly appreciated. If you have any questions, please contact your District Sales Manager or our Sales office at 1-800-424-1494.
