Dear Valued Customer:

Effective with shipments Monday, June 1, 2009 the Raw Materials Surcharge (RMS) applicable to concrete reinforcing bars, merchant bars and structural products will be \$43/net ton (\$2.15/cwt.) This represents an increase of \$43/ton (\$2.15/cwt) when compared to our April 9, 2009 surcharge.

| Product   | Published Index (AMM)  | Consumer Buying Price (Chicago) | Program Baseline | June 1, 2009 Surcharge / ton |
|---|------------------------|---------------------------------|------------------|------------------------------|
| Reinforcing Bar<br>Merchant Bar &<br>Structural | Shredded<br>Auto Scrap | \$205                           | \$162            | \$43                         |

In addition, we will decrease our base price for concrete reinforcing bars, merchant bars and structural products by \$23 per ton or \$1.15/cwt.

The net effect of this move is that our **transaction pricing will increase \$20 per ton (\$1.00/cwt) for concrete reinforcing bars, merchant bars and structural products.**

As always, we will continue to monitor the marketplace and respond accordingly in order to assure you of receiving a competitively priced product.

If you have any questions, please contact your District Sales Manager or the mill direct at (800)221-0323.

Nucor Steel – Connecticut thanks you for your business and appreciates your continued support and cooperation.
