Dear Valued Customer:

Effective with shipments December 1, 2009, the Raw Materials Surcharge (RMS) applicable to reinforcing bars, merchant bars and structural products will be \$73/net ton (\$3.65/cwt). This represents a decrease of \$25/ton (\$1.25/cwt) when compared to our October 15, 2009 surcharge.

Product	Published Index (AMM)	Consumer Buying Price (Chicago)	Program Baseline	December 1, 2009 Surcharge / ton
Reinforcing Bar, Merchant Bar and Structural	Shredded Auto Scrap	\$235	\$162	\$73

In addition, we will increase our base price for concrete reinforcing bars, merchant bars and structural products by \$25 per ton or \$1.25/cwt.

The net effect of this move is that our transaction pricing for reinforcing bar, merchant bars and structural products will remain unchanged.

As always, we will monitor the marketplace and will respond accordingly by making adjustments to our base pricing in order to assure you of a competitively priced product.

If you have any questions, please contact your District Sales Manager or the mill direct at (800) 424-1494.

Nucor Steel Auburn thanks you for your business and appreciates your continued support and cooperation.

Sincerely,
