**NUCOR STEEL BIRMINGHAM, INC.**

November 24, 2009

To our valued customers

Nucor Steel Birmingham, Inc. is rail served by the Norfolk Southern, and subject to their fuel surcharge. The fuel surcharge for the month of December 2009 will be "0" percent.

You may access the Norfolk Southern website to track the changes in surcharge at [www.nscorp.com](http://www.nscorp.com). Click on the menu option CUSTOMERS, and then select fuel price news. It will give you current information on the price of crude oil, the current surcharge and any pending increases or decreases. At this time the pending surcharge for January 2010 is "0" percent.

As always, we thank you for your continued support. Your business is greatly appreciated. Should you have any questions regarding this letter please contact your District Sales Manager or the Birmingham sales office at 866-862-4796.

Sincerely

Michael Rhodes  
Traffic Coordinator
