

BAR MILL - AUBURN

Nucor Steel Auburn, Inc.

June 29, 2010

To All Prepaid Truck Customers:

The July 1, 2010 fuel surcharge for prepaid truckloads from Nucor-Auburn will decrease from \$.30 to \$.29 per mile.

The Department of Energy's (DOE) National Average for June 28, 2010 is \$2.956/gal.

Nucor-Auburn is using the DOE diesel fuel National Average at the end of each month to calculate the Nucor-Auburn Fuel Surcharge for the following month. We use \$1.50 as the base for fuel indices and we assume a fuel efficiency rating of 5 miles/gal. Mileage is based on practical miles using PC Miler Ver. 22.

Example: \$2.956 - \$1.50 = \$1.456/gal
\$1.456 / 5 gal/mile = \$0.29

For your reference the DOE diesel fuel National Average is published on:
